### *Volunteer Appreciation Month Highlights*

This past month, we celebrated Volunteer Appreciation Week! To honor our incredible volunteers who treat our pups with so much love and care, we treated them to the sweet delight of Girl Scout cookies! These tasty treats were a token of our immense gratitude for the tireless efforts of our volunteer puppy raisers and weekend sitters.

Throughout the week, we shared heartfelt posts on social media, spotlighting the extraordinary individuals who keep our mission alive. From nurturing future service dogs to providing essential weekend care, our volunteers play a significant role in our organization's success.

Together, we took a moment to express our deepest gratitude to these unsung heroes for their selflessness and unwavering dedication. Thank you to all our volunteers for making Volunteer Appreciation Week truly special!

*Here are some of our enthusiastic pups in training, all thanks to our dedicated volunteers who make it all possible!*

## *Did you know you could support IHDI each time you shop?*

You can support our organization effortlessly by adding International Hearing Dog to your **King Soopers Community Rewards**. It's a simple way to make a big impact without spending an extra dime! With each purchase you make, a portion goes towards supporting our mission. Join us in making a difference in the lives of those who rely on hearing dogs. Click the Link below or scan the QR code to learn more and give back with every purchase!

## *Spring is in Full Swing!*

As the weather warms up, there are things we all need to be aware of and staying up to date on to keep our pets safe. Here is a short list of

things to do to keep your furry friends safe and feeling their best:

- Fleas and ticks make their great return in the springs much sure you have your pups year-round heart-worm preventive medication up to date!
- Just like us, our pets can have allergies too so keep an eye on itching, sniffing and sneezing and contact your veterinarian if and when concerns arise!
- Spring time often means spring cleaning, check to make sure your cleaning supplies are pet safe! The ASPCA Animal Poison Control Center (APCC) has a list of poisonous household products you can look at here: <https://tinyurl.com/ynt8b8k2>
- Have you checked your dog's ID tag recently? Check to make sure all the information is easy to read and up to date!

---

*IHDI continues to grow and develop each and everyday to have a positive impact for individuals who are d/Deaf and hard of hearing, so thank you for supporting IHDI!*
